

DRAFT MEETING MINUTES

Transportation/Waste Committee

September 12, 2007

CAB Members Present: Ted Oom, Chair; Robert Johnson; Hal Sullivan

Liaisons Present: David Swanson, Nye County

Department of Energy (DOE): Kelly Snyder, DDFO

Support Staff: Dr. Helen Neill, University of Nevada, Las Vegas; Rosemary Rehfeldt, Navarro Research and Engineering, Inc.

- The meeting began with a discussion on waste transportation routes, and a request was made by Ted Oom to find out information from the U.S. Department of Transportation (DOT) on when shipping routes were approved, specifically what year. Additionally, the Committee would like to know what the DOT's criteria are for selecting routes.
- The Committee members agreed to put this issue before the Full Board at the bi-monthly meeting.
- Kelly Snyder suggested that the Committee clarify this request in a recommendation letter.
- Committee reviewed comments for draft letter to the DOE Office of Regulatory Compliance regarding the Notice of Intent for Greater Than Class C Low-Level Radioactive Waste Disposal Alternatives. It was agreed to put the draft comments before the Full Board for input and approval before drafting the final letter.

The meeting adjourned at 5:00 PM.
