

MINUTES

Underground Test Area (UGTA) Committee

November 3, 2006

Chair: Engelbrecht von Tiensenhausen
(not present)

Vice Chair: Walt Wegst, Ph.D.

Members: Bob Gatliff and Genne M.
Nelson

Department of Energy: Bill Wilborn,
UGTA Sub-Project Director

Support Staff: Helen Neill, UNLV, and
Alicia Tauber

- The Committee discussed their review of the draft report on potential UGTA drill sites and determined a revision was in order.
- The Committee was asked to provide comments and changes to the draft report.
- Helen Neill will prepare an outline and notes based on the comments provided by the committee for revision and changes to the existing draft report.
